THE CABIN

The Cabin is a modern day film about spiritual warfare telling the story of how one man courageously waged war against his personal demons. This suspenseful thriller shows the spiritual battlefield we all face each and everyday.

What others are saying....

"Spiritual warfare happens every day this film maps out the battlefield like never seen before."

"Brilliant! Creative! True!"

"Finally a Christian film on Spiritual Warfare."

The Producer/Writer of THE CABIN will introduce the film!
